The Declaration of Startup Friendly Kansai

関西ベンチャーフレンドリー宣言

Under the Kansai Startup Backing Initiative, we aim to make the Kansai region a highly innovative area full of creativity and fully open to the world.

To this end, now that a startup ecosystem is emerging in the Kansai region, we hereby announce that all supporting companies are quite positive in: inheriting a dynamic corporate culture typified by a unique way of thinking as well as a “Just try it” culture, both of which we have long fostered; and staying close beside next-generation entrepreneurs striving hard to launch new businesses, thereby providing them with necessary support.
